You took your dirty hand and squeezed my heart ,
laughed when I said let go
Your grip got tighter then I decided I don't love you so
I should have known
Yeah you still weren't grown
Uh,huh
I'm going to hitch hike down to Cincinnati and kick the
shit out of your drunk daddy
Well I'm not nice now baby
Just too lazy to be mean
Mom said son go get a good one
But I grabbed the first thing I seen
I should have known
Yeah you still weren't grown
Uh,huh
I'm going to hitch hike down to Cincinnati and kick the
shit out of your drunk daddy
Well I'm so tired of proving you wrong
Every God damned day

I want to find the man who started this all
And make that fucker pay
I should have known
Yeah you still weren't grown
Uh,huh
I'm going to hitch hike down to Cincinnati and kick the
shit out of your drunk daddy
YEAH
Ahh, come on,yeah, go
