Keep on fuckin'  
Well, it's God's first commandment  
Keep on fuckin'  
Even a dog can understand it  
Keep on fuckin'  
Well of all the things I say to you  
Keep on fuckin'  
It's the only one you'll go and do  
Hit it  
Well listen up baby, I'll tell you just how things are  
Yeah  
And the best thing about is that you don't even have to  
be smart  
No  
Because if you take all that you want or just what you  
need  
Don't give a damn, or obsessed with greed  
If the world kicks your ass, or gently leads you by the  
hand  
There's just one thing we all understand and that's  
Keep on fuckin'  
Well, it's God's first commandment  
Keep on fuckin'  
Even the dogs understand it  
Keep on fuckin'  
Well of all the things I say to you  
Keep on fuckin'  
It's the only one you'll go and do  
Go  
Some people seem to love their grief  
Yeah  
But I got a little secret that'll outlast all of your beliefs  
Hah!  
If you're the world's greatest sinner, or pray every day  
Talk all the time or ain't got much to say  
Don't worship nothing or something I can't pronounce  
There's only one thing that ever really counts  
Keep on fuckin'  
Well, it's God's first commandment  
Keep on fuckin'  
Even the dogs understand it  
Keep on fuckin'

Well of all the things I say to you  
Keep on fuckin'  
It's the only one you'll go and do  
Yeah  
Keep on fuckin'  
Well, it's God's first commandment  
Keep on fuckin'  
Even the dog can understand it  
Keep on fuckin'  
Well of all the things I say to you  
Keep on fuckin'  
It's the only one you'll do and do  
Yeah  
Yeah yeah yeah yeah  
Keep on fuckin'  
Keep on fuckin'  
Yeah  
Yeah yeah yeah yeah yeah  
Keep on fuckin'  
Keep on fuckin'  
Yeah  
Yeah yeah yeah yeah yeah  
Keep on fuckin'  
Keep on fuckin'  
Yeah  
Yeah yeah yeah yeah yeah  
Keep on fuckin'  
Keep on fuckin'  
Keep on fuckin'
