I'm a lazy white boy
too tired to cook my own grits
lazy white boy
sick, i aint taken no shit yeah

lazy white boy
lazy white boy

babies burning
calling me to reach deep
aint gonna move
no time to lose
this lazy white boy on a mission to prove

hes a a lazy white boy
too tired to cook my own grits
lazy white boy
sick, i aint taken no shit yeah

hes a a lazy white boy
god made me the man
lazy white boy
hell, i bet he wishes he hadn't

lazy white boy

solo

and repeat chorus
