How ya doin sweetheart?  
Heya, you know these last few months weve been  
together  
Happened so right and Im just so happy for what we  
shared  
Ive been wonderin...how do you feel?

I wanna get lost in love with you  
And do all the things you want me to  
Caress your body touch your soul  
Cuz boy I love you so  
(repeat)

The love we shared something so especial  
Es tan contigo is all I wanna do every night  
Ever since el primer dia, the first day  
I knew it'd last forever if I had it my way  
So the days go on, no hago otra cosa  
But dream about the moment, our hearts will come  
closer  
Holdin tu mano in your face tan bonita  
Never met another young lady seniorita  
And that is why I gotta say that you're the best  
A millon and one ways just to express  
Mi amor I know that we will be together  
So, sing to me, baby, and sing forever

I wanna be with you always  
Together forever til our ending days  
Hold me baby don't let go  
Makin love like never before  
(repeat)

Makin love in the night time, walks and romance  
Im telling you, hermosa, my heart is in a trance  
They say that true love is so hard to find  
I thank the man up above for makin you mine  
Talkin on the telephone, sendin you kisses  
A dozen of roses just to say that I am missin  
The warmth of your body right next to mine  
Ere es tu la mejor like a toast of fine wine

Out to the movies, maybe sharing some ice cream  
Si estoy dormido, don't wake me from my dream  
Todo lo que quiero, all I need is your affection  
My life was fine but you brought perfection  
Now we sit here just holdin hands  
Whispers in my ear tell me that I'll be your man  
Today, manana in a paradise for two  
I feel the same way cuz Im so in love with you

I love the way you make me feel  
My love for you is all so real  
Embrace my body, touch me softly  
Love me til the morning  
(repeat)

You know that love we shared is just something so  
special  
I just don't know what to say, girl  
Would you sing to me one more time?  
Do it like this, cmon

I wanna get lost in love with you  
And do all the things you want me to  
Caress your body, touch your soul  
Cuz boy I love you so  
I wanna be with you always  
Together forever til our ending days  
Hold me baby, don't let go  
Makin love like never before
