"My Queen"

Sometimes I'm feeling rotting
Everything seems to disgust me
This thing can put me down now
I am not crazy
Please keep on motivating me
Waking up and screaming once again
I try to bring you up now
Please listen to me

There's one thing I would say...

Would you be my only queen just for a day?
Remember these words 'cause I never wanna repeat
again
Would you be my only queen just for a day?
I'll disappear if you don't really wanna see me again

Sometimes I'm feeling rotting
Everything seems to disgust me
This thing can put me down now
I am not crazy
Please keep on motivating me
Waking up and screaming once again
I try to bring you up now
Please listen to me

There's one thing I would say...

Would you be my only queen just for a day?
Remember these words 'cause I never wanna repeat
again
Would you be my only queen just for a day?
I'll disappear if you don't really wanna see me again

Please keep on motivating me
Please keep on motivating me
Please keep on motivating me to think of you and me

Please keep on motivating me
Please keep on motivating me
Please keep on motivating me to think of you and me

Would you be my only queen just for a day?
Remember these words 'cause I never wanna repeat
again
Would you be my only queen just for a day?
I'll disappear if you don't really wanna see me again
