Can?t believe I?m running into you
Haven?t seen you since the days of high school
You?re the one who always got away
Man this must be my lucky day
Girl, you?re looking as fine as ever
How I wish that we could be together
So here?s what I?m gonna do
I?ma have to say goodbye to you

So go, I?m not beggin? you to stay
Cus I got this funny feelin? I?ll be seeing you someday
That?s right go, I?m telling you to walk away
Cus I know somewhere down the line I?ll be, I?ll be
seeing you babe

Now you?re looking at me funny, baby I ain?t messin?
Call your daddy let me ask him for his blessin?
Cus next time we meet we?ll be on different grounds
Need a church, dress, tux, and some wedding vows
Singing: Here comes the bride (so beautiful)
All dressed in white

Now, go I?m not beggin? you to stay
Cus I got this funny feelin? I?ll be seeing you someday
That?s right go, I?m telling you to walk away
Cus I know somewhere down the line I?ll be, I?ll be
seeing you babe

Cus I know this might seem crazy, leaving you babe
when there?s so much more to say
But when the heavens decide to give us a try we?ll be
starting a family
Oh? And I?m thinkin? two babies, Josh and Kailie, and a
house upon the bay
We?ll be best of friends, til the end, and baby I?ma
promise I?ma see you again

So go, I?m not beggin? you to stay
Cus I got this funny feelin? I?ll be seeing you someday
That?s right go, I?m telling you to walk away
Cus I know somewhere down the line I?ll be, I?ll be

seeing you babe

I can?t believe it (repeating)

When I find you again I?ll never let you go
