S...I...N

I would give my life for you  
you mean the world to me  
baby baby baby babe oooooh  
you know i luv you (uh huh come on yea yea)  
and i wanna be together when you runaway (its Nb  
ridaz)  
just me and you (same klick new title)  
just you and me  
will you runaway with me

the day i wrote these words for you i cried  
could of died that day a happy and completle man  
cuz im the palm of my hands  
everything that I dreamed for and more  
and you know im down for yours  
Forever & life the reason I made you my wife is  
because  
you see me for me the real me and luv me  
unconditionally  
and even with the circumstances that i had you still  
gave me a chance  
and thats why i live & breath for you and the kidz  
and you gave me more than what this thing could ever  
give to me  
and now my life is satisfied and complete visions all  
coming true  
Yea of me & you placing rings on each others fingers  
sayind "I do"  
you stuck with me through my thick & my thin to go  
back & live life over again  
Nah thizz is my destiny it wuzz worth the agony to get  
the ecstasy

**\*\*CHORUS\*\***

we can runaway and spend sometime  
Ill always be the one right by your side  
tell the whole world you belong to me  
you are my everything (uuuuuuuh)  
i wanna runaway with you  
do do do do do do do do do do

I never ever met a shorty that was quiet like you  
and even though it was wrong i fell in love with you  
now we sit herre not really knowing what to do  
but im sure that you know I'll give my life for you  
If i could runaway with you i wouldnt even think twice  
i promise girl i put it all on the line  
i know forevver seems to be a long time  
but thazz what im seeing when i look into ur eyez  
and it dont matter what ur friends might say cuz i know  
deep inside you feel the same way  
you could tell me what you want but i could read your  
mind  
so quit lying to yourself and put your hand in mine  
i get excited everytime you come close and  
being right herre with you is what i love the most  
so anytime your feeling lonely inside  
we could runaway together & leave thizz world behind

**\*\*CHORUS\*\***

we can runaway and spend sometime  
I'll always be the one right by ur side  
tell the whole world you belong to me  
you are my everything (uuuuuuuh)  
i wanna run-away with you  
do do do do do do do do do

Waking up in the morning and your still not there  
cant we runaway and escape sumwhere  
missing your soft touch your lipz next to mine  
holdin up ur hands as you look in my eyes  
what must of happened to the love we both felt inside  
emotions were strong and the feeling was right  
now we dont speak anymore you went your own way  
and thats what love is about then i was mislead  
go ahead and take ur time if thats what you need  
my love is for you forever my heart for you bleeds  
things happen for a reason so i ask myself  
should i be strong and wait or move on to sumone else  
you always kept it real no games no lies  
if your ever feeling lonely inside fell need to get away  
call me up I'll be there together we'll  
Runaway girl

**\*\*CHORUS\*\***

we can runaway and spent sometime  
I'll always be the one right by ur side  
tell the whole world you belong to me  
you are my everything (uuuuuuuh)  
i wanna run-away with you  
do do do do do do do do doo
