Well

I wouldn't believe a word you said
If you had a gun up to your head
You try your luck with all your life

Aww snake eyes

Well one plus one plus one is two
Nothing you ever say is true
You take your chance you know im wild

Aww snake eyes

You'll be a loser every time
Aww yeah

I wouldn't believe a word you said
If you had a gun up to your head
You try your luck with all your life

Aww snake eyes

You'll be a loser every time
Aww yeah

Look out
