The Late Great USA

Hey, hey, hey!
Well alright

Threw up blood last night backstage in Madrid
Said 'Hey everybody come gather round it's the coolest
Thing I ever did'

Now I'm back in the land of worthless cash
No stops cops and no hash
Touching down in my hometown
You know I love Atlanta G.A.
It's getting harder aech year
Drinking watered down beer
In the late great U.S.A.
Come on

Hey, hey, hey!

Last night I was in Amsterdam
Window shopping for whores
Getting high in the street
I wanna do this forever more

Now I'm back in the land of worthless cash
No stops cops and no hash
Touching down in my hometown
You know I love Atlanta G.A.
It's getting harder aech year
Drinking watered down beer
In the late great U.S.A.

Let's go

Now it's where I was born
Always proud and never ashamed
And I ain't some hick who gets
His kicks trying to place blame

But if I've had enough
And some day moved away
I'll shed a tear and drink a
Watered down beer for
The late great U.S.A.
