Give it, give it back.
Oh, oh, oh
Oh, oh, oh
Yeah
Check it, yo.
You say you love me,
But you need some time.
Girl, I've been waiting for your number on the line.
People are talking,
Saying you've changed.
They say you're acting like a single girl again.
When I gave you my heart,
It wasn't temporary,
You said that you were ready.
Before you tear it apart,
You got something that belongs to me
Give it, give it back;
If it ain't gonna last,
If it's broken like glass,
If you don't know what you have.
Give it, give it back;
If you're lost in the dark,
Cause you can't find the spark,
If you're done-done with my heart.
Give it, give it back;
Give it back, give it back, give it back
Don't hold it.
Give it back, give it back, give it back
Don't hold it.
Give it back, give it back, give it back
Don't hold it.
Give it back, give it back
Give it, give it back;
I always listened,
And treated you right.
I even took you out when it was just the guys.
I never cheated,
I never lied.
I want the truth,
Even if you're saying goodbye!
When I gave you my heart,
It wasn't temporary,

You said that you were ready.
Before you tear it apart,
Baby, you got something that belongs to me
Give it, give it back;
If it ain't gonna last,
If it's broken like glass,
If you don't know what you have.
Give it, give it back;
If you're lost in the dark,
Cause you can't find the spark,
If you're done-done with my heart.
Give it, give it back;
Give it back, give it back, give it back
Don't hold it.
