Who am I to complain about my job,
When people ain't got food?
Who am I, who am I, who am I?

Who am I to complain about my car,
When people all got shoes,
Who am I, who am I, who am I?

I know there is a way, way to make, make a change,
right here,
But I will start, start it off with a talk,
With the man in the mirror.

I care to make it a better world,
I can take away somebody's hurt,
But I will never make a difference in life,
If I don't fix the man in my,
My, my, my reflection,
My, my, my reflection,
My, my, my reflection,
If I don't fix the man in my

Who am I to be putting someone down
When we all feel pain?
Who am I, who am I, who am I?

And I'm doing what I can to reach out,
How did I miss a chance?
How they got myself to blame?

'cause I know there is a way,
Way to make, make a change, right here,
But I will have to start, start it off with a talk,
With the man in the mirror

I care to make it a better world,
I can take away somebody's hurt,
But I will never make a difference in life,
If I don't fix the man in my,
My, my, my reflection,
My, my, my reflection,

My, my, my reflection,
If I don't fix the man in myâ€¦

I know there is a way, way to make, make a change,
I know there is a way, way to make, make a change.

Who am I to be thinking about myself
When I got so much?
We should all take a look at ourselves
And then say we'll do it all.

I care to make it a better world,
I can take away somebody's hurt,
But I will never make a difference in life,
If I don't fix the man in my,
My, my, my reflection,
My, my, my reflection,
My, my, my reflection,
If I don't fix the man in myâ€¦

Gonna make a change in me,
Gonna make a change in me.
