I got the strangest feeling
This is no ordinary day
Could it be, my time
I'm not the only one dreaming
So many chasing the same thing
In my bed still lying
Stay cool now don't you panic
It's alright, cause the chance that it could happen
Is like

[Chorus]
One in a million
And I'm feeling, like I could be the lucky one
One in a million, but it's possible
It's possible,
I hope the world chooses me
I hope the world chooses me
I hope the world chooses me
I pray, that I'm one in a million, today, yeah

You might not think it's worth it
Risking it all on one big dream
But I still believe
I believe in miracles
I believe that this one's mine
Stand back and watch me shine
Stay cool now don't you panic
It's alright cause the chance that it could happen
Is like

[Chorus]
One in a million
And I'm feeling, like I could be the lucky one
One in a million, but it's possible
It's possible,
I hope the world chooses me
I hope the world chooses me
I hope the world chooses me
I pray, that I'm one in a million

I'll travel for it... to feel this

I've waited all my life for this
This is the day, this is the day, this is the day
Stay cool now don't you panic
It's alright cause the chance that it could happen
Is like

[Chorus]

One in a million
And I'm feeling, like I could be the lucky one
One in a million, but it's possible
It's possible,
I hope the world chooses me
I hope the world chooses me
I hope the world chooses me
I pray, that I'm one in a million
