So cold
I can't feel my clothes
I couldn't come home
There was deception in me
And I don't deserve you anymore
No more
No more

Last night
It happened again
And I couldn't stop it
Before it began
So this time
You need to walk
Out the door
The door
The door

Save yourself
Let me drown
If you stay here
We'll both go down
I'm sorry my love
You'll find someone else
It's too late for me
Save yourself

It's so deep
Resurgence I need
Just like a monster
The moon sets me free
So before the darkness fills the sky
Before the kindness in me dies
Run, run, run

Save yourself
Let me drown
If you stay here
We'll both go down
I'm sorry my love
You'll find someone else

It's too late for me
Save yourself

It's too late
I've lost all control
You are not safe
My love you must go

Save yourself
Let me drown
If you stay here
We'll both go down
I'm sorry my love
You'll find someone else
It's too late for me
Save yourself
