I come over
Caught a pass two
Love in my eyes
Blinded by you
Just to get a taste of heaven
I'm on my knees
I can't help it
I'm addicted
But I can't stand the pain afflicted
In the morning
You're not holdin on to me
Tell me what's the point of doing this
Every night what you're givin me
it's nothing but a heart as a lullaby
than I ~ my dreams oh
This is the last time
Baby make up your mind

CAUSE I CANT KEEP SLEEPING IN YOUR BED
If you keep messing with my head
Before I slip under your sheets
Can you give me something please
I can't keep touching you like this
If it's just temporary bliss

We were on fire
Now we're frozen
There's no desire
Nothings spoken
You're just playin I keep waitin for your heart
I am f~ing
For the sunshine
To show our love and a good life
Give me reason
I am bleeding to the stars

Tell me what's the point of doing this
Every night what you're givin me
it's nothing but a heart as a lullaby
Than I ~ my Dreams oh
This is the last time

Baby make up your mind

CAUSE I CANT KEEP SLEEPING IN YOUR BED

If you keep messing with my head

Before I slip under your sheets

Can you give me something please

I can't keep touching you like this

If it's just temporary bliss

Just Temporary bliss
