I'm letting go, letting go
Hey baby...
I'm letting go, letting go

It's the same old scene
In the passenger seat
I don't even know where we're going
And we've been driving for years
Do you even know I'm here?
You see me but it's not really showing
When was the last time you held my hand
(In public?)
Or told me I was beautiful?
(Cause you know I love it)
I wasn't born yesterday, so I say...

Whatever, whatever,
Is all you're gonna hear from me
You say we're together then treat an like enemy
Whatever, whatever,
I tried to make it work
But I don't wanna hurt forever
So I say whatever
(Letting go, letting go)
Whatever, so I say whatever
(Letting go, letting go)

I refuse to be the fool
Playing by your rules
It's on the table
Rake it or leave it
And if you don't know how you feel
It's time to keep it real
Tell me that your heart don't believe it

When was the last time you took me out
(n public?)
Or called me just to say hello?
(Cause you know I love it)
I wasn't born yesterday, so I say...

Whatever, whatever,

Is all you're gonna hear from me
You say we're together then treat an like enemy
Whatever, whatever,
I tried to make it work
But I don't wanna hurt forever
So I say whatever

There is a prize

Whatever, whatever,
Is all you're gonna hear from me
You say we're together then treat an like enemy
Whatever, whatever,
I tried to make it work
But I don't wanna hurt forever
So I say whatever
(Letting go, letting go)
So I say whatever
(Letting go, letting go)
So I say whatever, so I say whatever
Letting go, letting go
Letting go, letting go.
