Intro

you're my lady always been so true
this is why, I sing this song for you
and you're my lady , always in my life,
and I wanna thank you , for being down to ride,

verse 1

Forever yours forever mine our love will always
Shine no matter the situation you where always
By my side never the less you brought the
Best of me, the years that I' lived
only love that i got my right hand by best friend
who must of sent Such an angel to this world
that is cold you belong in the heavens not this
ignorant world you're my girl my all best thing
a man could ever have
im glad that your mine and im proud to be your man.
Understand that there is no other if there is just
A few staying true like you never breaking
No rule lord forgive me for the things I have done
To you if you weren't up in my life I wouldn't know
What to do wont complain about no money didn't
faze when I was broke all we needed was each other
Love to strong to let go If I die tonight all I wanna let
you know
Reminisce on what we had hold me tight
And don't let go girl.

Chorus

Oh girl you're the one for me,
Never ever let me down ,
You will always be around ,
Girl I have to thank you baby,
Always standing by my side ,
So don't you ever leave my life

Verse 2

Even through these hard times we continue to face,
It's like deep inside of me you could never be
replaced,
Like when we struggle we get tested in faith,
But you been strong and stood by me every step

of the way,
I thank the lord for the day he brought you into my
life,
Changed my world -my destiny and gave me new life,
So if you got somebody special that's always been
true,
Show love and take note in everything that they do,
I could never take for granted what she's done for me,
Even when we disagree she still stands by me,
Late night - road trips- showing mad support,
The type of girl that every homie should be keeping
close,
Cuz your that type of girl that never let me down,
Encouraged me to see the light when no one else
would
come
Around, down when I had money- and down when I was
broke,
So if I die tonight hold me tight and don't let go!

Chorus

Verse 3

I guess that you can say I owe my life to you the
Only dream that really matters is to be with you cuz
Even though we argue and we fight some times
You'll always be my queen until the end of times
Im giving love to the one that always stood by my side
If you ever need me baby for you I give my life
You been so true thats why its you these feelings I
wont
Hide my love goes out to you girl I never leave your
side yeah,

Chorus
