So young and so stressed and...  
What am I gonna do?  
Elected the reject  
There is nothing new?  
I'm closed in my dream and  
I never sleep at night  
I don't wanna reflect  
Upon the things I do

And no one understands that you can't make  
something good when you're so young  
Adolescence can't make sense for me... I'm waiting for  
the bus  
That takes me out of town, away... away from the  
desolation of here  
That takes out this living of shit

So young and so stressed and...  
What am I gonna do?  
Elected the reject  
There is nothing new?  
I'm closed in my dream and  
I never sleep at night  
I don't wanna reflect  
Upon the things I do

And I don't understand why the other kids having fun  
behind my shoulders  
While I look into my hands and nothing is what I've  
always done  
I look into the mirror and I never find something of  
wrong  
Just a little and a lonely kid...

So young and so stressed and...  
What am I gonna do?  
Elected the reject  
There is nothing new?  
I'm closed in my dream and  
I never sleep at night  
I don't wanna reflect  
Upon the things I do

So young and so stressed and...  
What am I gonna do?  
Elected the reject  
There is nothing new?  
I'm closed in my dream and  
I never sleep at night  
I don't wanna reflect  
Upon the things I do
