I'm lost into a place, in my mind, in my home  
Wake up! Someone screams against the wall  
Mom and Dad please don't subject me to therapy  
I'm not sure of what I say...  
Now I'm all alone where no one can grow up, now I'm  
inside the wall  
So stop to think about me

When I'm out, when I'm down, I don't really seem to  
care  
Time goes on and the worst become unfair  
Looking back, looking now, look the shit I have  
Nothing good can last so I wanna stop the time so I'll  
never come back  
To see what you became

I'll show my number everywhere I'll go  
I wanna scream it loud and clear  
I'm so sure my life has no tomorrow  
So close yourself at home and pray for me... this is  
what I need  
So stop to think about me

About me  
About me

And don't try to kill me  
'Cause I cannot die

I'll show my number everywhere I'll go  
I wanna scream it loud and clear  
I'm so sure my life has no tomorrow  
So close yourself at home and pray for me... this is  
what I need  
So stop to think about me

I'm 19  
19
