What do you think to do to stop me?
It's all vain
Freeway for the reject
I'm a bastard son of a gun
A scabby and nasty cat
And I hope and pray to bring bad shit

Cover me with all your shit
And then remember of me
And of what I clasp in my hands
'Cause when the mist clears here I am

After all you're like I've ever thought
But for a guy like me
It's easy recognise the smell of shit
I'm like an outlaw without a gun
Wanted for zero ransom
And this is what you hate and what I am

Cover me with all your shit
And then remember of me
And of what I clasp in my hands
'Cause when the mist clears here I am

Can you see me now?
Everywhere you'll go I'll stay here
Can you see me now?

Cover me with all your shit
And then remember of me
And of what I clasp in my hands
'Cause when the mist clears here I am

'Cause
When
The
Mist
Clears
Here
I am

'Cause when the mist clears here I am
