Yo, it's [unverified]
WNBK, the only radio station that slams a jam
Check this out ladies from Nasty Boy Klick
It's the AZ Side

Take a little trip
Take a little trip with me
Take a little trip
Take a little trip and see

Now who wants to take a trip
Sit back, enjoy the ride
As we take a little trip
Through the AZ Side

Now let me step out the Arizona sunset
Album number 2, just to clock respect, uhh
This time we gotta do it my way
Cruise control with me and Ziggy hit the highway

'Bout to hit the spot, so pop the top
To the bottle of the champagne
In the studio workin' on a phat track
New release 'cause I'm lookin' for the fat stacks

Uhh, change the flow for my hente
Dropin' all those lyrics that are stickin' to your mente
So let it be known that I'm the rap mistro
Bouncin' like a ride with the hydros

Too swift in the mix in the background
Makin' sure the honeys on flow get down
So get live and do what you do
'Cause we gotsta bomb from the 6 zero 2

Take a little trip
Take a little trip with me
Take a little trip
Take a little trip and see

Now who wants to take a trip
Sit back, enjoy the ride

As we take a little trip
Through the AZ Side

Steppin' out the doorway, Holmes, it's the zig-zag
My khakis all bagged, Saturday night and it's time to
party
We have a hotel suite for the after party
We'll have sex on the beach

Cisco [unverified] while the rest
Is sprung off that Coke and Bacardi
And those rainbow daceries
Fillin' dirty mouth of fantasies

We got warm summer knocks for the freaks
And all the dogs chasing all the kitties
From all over the cities, came to the zone to party
Zig-zag with the magic [unverified]

So you can ride from the westside
Eastside, northside and the south
We gets down so California gon' feel it
So how ya gonna dis it if ya never even seen it

Take a little trip
Take a little trip with me
Take a little trip
Take a little trip and see

Now who wants to take a trip
Sit back, enjoy the ride
As we take a little trip
Through the AZ Side

We'll hit the switch and let the back fall
It's 10 o'clock and it's time to hit Central
'Cause all the hoochies lined up straight beggin' for the
ride
Rollin' in the passport, leanin' to the side

Well, let it ride, I was all high
To keep my mind off the heat
With the AC blowin' in my face as we hit Center Street
'Cause you know how we do it

Laa five carloads, caravan and one line
Turning right 'cause I'm 'bout to hit baseline
Bump the alpine, it's MC Magic and too swift
And you know the Ziggy's still up on it

I got the calls hoppin', girly stoppin'

Remember how I used to be
When punks never had to quit this bumpin'
So drop the gats and check the track
And take a ride through the AZ Side

Take a little trip
Take a little trip with me
Take a little trip
Take a little trip and see

Now who wants to take a trip
Sit back, enjoy the ride
As we take a little trip
Through the AZ Side

Take a little trip
Take a little trip with me
Take a little trip
Take a little trip and see

Now who wants to take a trip
Sit back, enjoy the ride
As we take a little trip
Through the AZ Side
