(D. Kahn, S. Styme)

This is the end of a beautiful friendship,
It ended a moment ago.
This is the end of a beautiful friendship,
I know,
For your eyes told me so.

We were always
Like sister and brother,
Until tonight,
When we looked at each other.

That was the end of a beautiful friendship
And just the beginning of love

(Instrumental interlude)

We were always
Like sister and brother
Until tonight
When we looked at each other

That was the end of a beautiful friendship
And just the beginning of love

That was the end of a beautiful friendship,
And just the beginning of love.

~interlude~

That was the end of a beautiful friendship,
And just the beginning of love!
