"Again"

Again, this couldn't happen again
This is that once in a lifetime
This is the thrill divine

What's more, this never happened before
Though I have prayed for a lifetime
That such as you would suddenly be mine

Mine to hold as I'm holding you now and yet never so
near
Mine to have when the now and the here disappear
What matters, dear, for

When this doesn't happen again
We'll have this moment forever
But never, never again

But never, never again
But never, never again
