Anytime, any day, anywhere

Say the word, you'd be heard

I'll be there

Makes no difference where it leads me

I'll come running if you need me

Anytime, any day, anywhere

It makes no difference where it leads me

I'll come running if you need me

Anytime, any day, anywhere

Anytime, any day, anywhere

Any day, anywhere

Anytime, any day, anywhere

Say the word, you'd be heard

I'll be there

Anytime, any day, anywhere
