

## Nat King Cole "Ask Me"

Ask me if I love you  
Ask how much I care  
Count the stars above you  
The answer is there

Ask how much I need you  
Darling, I'd reply  
Can you count the ripples  
In streams passing by

Ask me if I'd miss you  
If our dreams fell through  
Would the summer roses  
Miss the morning dew

Ask me if I'll love you  
When years have flown away  
Darling, I will love you  
Much more than today

Ask me if I'll love you  
When years have flown away  
Darling, I will love you  
Much more than today
