If I expected love when first we kissed
Blame it on my youth
If only just for you I did exist
Blame it on my youth
I believed in everything
Like a child at three
You meant more than everything
All the world to me
If you were on my mind all night and day
Blame it on my youth
If I forgot to eat and sleep and pray
Blame it on my youth
If I cried a little bit
When first I learned the truth
Don't blame it on my heart
Blame it on my-y youth
If you were on my mind all night and day-ay
Blame it on my youth
If I forgot to eat and sleep and pray
Blame it on my youth
If I cried a little bit
When first I learned the truth
Don't blame it on my heart
Blame it on my youth
