I see a little bird that is sitting in the treetop
A pretty little bird that is sitting in the treetop
I see a little bird that is sitting in the treetop
A pretty little bird that is sitting in the treetop

I see a little bird that is sitting in the treetop
A pretty little bird that is sitting in the treetop
I see a little bird that is sitting in the treetop
A pretty little bird that is sitting in the treetop

Fly, my Brazilian love bird
Fly to the one I love
Please won't you tell her that I'm the one who cares
Please bring to me her answer

A pretty little bird that is sitting in the treetop

A pretty little bird that is sitting in the treetop

I see a little bird that is sitting in the treetop
