Moonlight was made for a June night
And June nights were made , dear,
for love and romance
For heavenly kisses, for lips sweet and tender
On this night of splendour
You're so far away

Come closer to me so I can see
heaven in your eyes
Come closer to me so I can be
close to Paradise

Thrill me with your kisses
Let me learn what bliss is
Kiss me once and then we'll kiss and kiss again
And life will be divine

Come closer my dear
So I can hear
music in my heart
I've waited so long to hear
the song that youre love will start

Darling I'll adore you
Live my life just for you
All I ask is this
please give me one more kiss
and whisper you'll be mine

Come closer to me (etc...)

Hoy te estaba esperando
confiarte querida un
secreto de amor
Decirte bajito, bajito al odo
Muchas cosas lindas
Bien cerca de ti

Acercate ms, y ms, y mas
pero mucho mas
Y besame as, as, as

como besas tu
Pero besa pronto
Porque estou sufriendo
No lo ests tu viendo
Que lo estoy queriendo
sin quererlo t

Acercate ms, y ms, y ms
pero mucho ms
Y besame as, as, as
como besas tu

Acaso pretendes a desesperar me
ven por Dis a darme
eso beso tuyo
que te ped yo

Acercate ms y ms, y ms (etc...)
