Can't I
Will I ever love you again
Tell me, why then can't I
Maybe others
Want you just like I do
Tell me, why then can't I
You might have known others
So have I
Who would hurt you
And dessert you
That's why I o-only want to
Hold you, always
Never to let you go
Tell me, why then can't I
You might have known others
So have I
Who would hurt you
And dessert you
That's why I o-only want to
Hold you, always
Never to let you go
Tell me, why then can't I
Tell me, why then can't I
