Hear me, why you keep fooling?
Little coquette, making fun of the one who loves you
Breaking hearts you are ruling
Little coquette, true hearts tenderly dreaming of you

Someday you'll fall in love as I fell in love with you
Maybe the one you love will just be fooling too
And when you are alone with all your regrets
You know, my little coquette, I love you

Someday you'll fall in love as I fell in love with you
Now, maybe the one you love will just be fooling too
And when you are alone with all your regrets
Now, you know, my little coquette, I love you
