I was alone and fancy free
Enjoying all my liberty

I met you, baby
Then things changed
I started acting
Oh, so strange

Do I like it, do I like it
Yes, I do

Well, every day I had a ball
I didn't have a care at all
And everything was just okay
Until you made me change my way

Do I like it, do I like it
Yes, I do

Like a schoolboy
Loves his cherry pie
You really move me
My, oh, my

You caught me, baby
I'm really hooked
No doubt about it
My goose is cooked

It won't be long before I hear
Her whisper softly in my ear
I love you, baby, yes, I do
And from now on
It's me and you

Do I like it, do I like it
Yes, I do

Like a schoolboy
Loves his cherry pie
You really move me
My, oh, my

You caught me, baby
I'm really hooked
No doubt about it
My goose is cooked

It won't be long before I hear
Her whisper softly in my ear
I love you, baby, yes, I do
And from now on
It's me and you

Do I like it, do I like it
Yes, I do
