Nat King Cole
"Don't Let It Go To Your Head"

So what if I came clean
And told you all you mean to me
So what if I meant every word I said
Baby don't let it go to your head
So what if I write your name
Cause you're always on my brain
In a heart, I paint it crimson red
Baby don't let it go to your head

Don't be getting any big ideas
Let me make it clear

Just cause I can't go on
Just cause I die when you're gone
Just cause I think of you in bed
Don't let it go to your head
If I looked in your eyes
One, two, too many times
And memorized every word you said
Don't let it go to your head

So what if I want to kiss
From your toes up to your lips
It don't mean that you've had me yet
You're gonna be good, I bet

I'm the one whose in control here
Let me make it clear

Just cause I can't go on
Just cause I die when you're gone
Just cause I think of you in bed
Don't let it go to your head

If I looked in your eyes
One, two, too many times
And memorized every word you said
Don't let it go to your head

Oh
Don't let it go to your head
Oh

I had a porcelain doll
I held on to it so tightly
But when it broke, I swore
I'd never hold on to something that tightly again
Don't let it go to your head
Oh, no (oh, no)

Just cause I can't go on
Just cause I die when you're gone
Just cause I think of you in bed
Don't let it go to your head
Don't let it go to your head

Just cause I can't go on
Just cause I die when you're gone
Just cause I think of you in bed
Don't let it go to your head
If I looked in your eyes (oh)
One, two, too many times
And memorized every word you said
Don't let it go to your head (oh)
Don't let it go to your head (oh)
Don't let it go to your head (don't let it, don't let it)
Don't let it go to your head (oh)
