Somewhere there's music, how faint the tune  
Somewhere there's heaven, how high the moon  
There is no moon above and love is far away too  
'Till it comes true that you love me and I love you

Somewhere there's music, how near, how far  
Somewhere there's heaven that's where you are  
The darkest night would shine if you would come to me  
soon  
Until you will, I'll still, my heart, how high the moon

Somewhere there's music, how faint the tune  
Somewhere there's heaven, how high the moon  
The darkest night would shine if you would come to me  
soon  
Until you will, I'll still, my heart, how high the moon

The darkest night would shine if you would come to me  
soon  
Until you will, I'll still, my heart, how high the moon
