Goodbye, no use leading with our chins, this is where
our story ends
Never lovers, ever friends

Goodbye, let our hearts call it a day, but before you
walk away
I sincerely want to say

I wish you bluebirds in the spring, to give your heart a
song to sing
And then a kiss, but more than this, I wish you love

And in July, a lemonade to cool you in some leafy glade
I wish you health and more than wealth, I wish you love

My breaking heart and I agree that you and I could
never be
So with my best, my very best, I set you free

I wish you shelter from the storm, a cozy fire to keep
you warm
Most of all, when snowflakes fall, I wish you love
