I'll never say 'Never again' again
'Cause, see, I'm in love again
Head over heels in love again
With you

I'll never say 'Never kiss you' again
'Cause see, I'm kissing you again
That's just the thing I'd say it
I'd never do

I walked away and said goodbye
I was hasty, wasn't I?
I missed you, so I thought I'd die
But it's all over now, throw my hat in the sky

I'll never say 'Never again' again
'Cause see, I am in love again
Head over heels in love again
With the same sweet you

Oh, never be in a rush to say goodbye
You may regret it, by and by

Why did we ever fall?
Say goodbye to love
Must have been insane
What was I thinking of?

Here we are, back together
Happier than before
All I can do is promise
For evermore

I'll never say 'Never', never again
Here I am in love again
Head over heels, I'm in love again
With you

Never say 'Never kiss you', never again
Here I am, kissing you again
That's just the thing I'd say
That I'd never do

I walked away and said goodbye
I was hasty, wasn't I?
I missed you, so I thought I'd die
But it's all over now, throw my hat in the sky

I'll never say 'Never again' again
'Cause, see, I am in love again
Head over heels in love again
With the same sweet you
