I'm thru with love, I'll never fall again
Said adieu to love, don't ever call again
For I must have you or no one
Because I'm thru with love

I've locked my heart, I keep my feelings there
I have stocked my heart with an icy Frigidaire
For I mean to care for no one
Because I'm thru with love

Why did you lead me to think that you cared
You didn't need me for you had your share
Of slaves around you to hound you and swear
Their deep emotion, devotion to you

Goodbye, the spring and all it meant to me
It could never bring the things that used to be
For I must have you or no one
So I'm thru with love

Goodbye, the spring and all it meant to me
It could never bring the things that used to be
For I must have you or no one
Because I'm thru with love
