Is it better
To have loved and lost,
Than never to have loved at all?
I wonder (I wonder),
I wonder (I wonder),
As my lonely teardrops fall.

Is it better
To have kissed and lost,
Than never to have felt the glow?
I wonder (I wonder),
I wonder (I wonder),
Then why do I miss you so?

Only those who've lost at love

Would know how a heart can cry.
And they would know the meaning of
Hearing a last goodbye.

Is it better
To have loved and lost,
Than never had my dream come true?
I wonder (I wonder),
I wonder (I wonder),
'cause I'm still in love with you.

I wonder (I wonder),
I wonder (I wonder),
'cause I'm still in love with you.
