Got the world on a string
I'm sitting on a rainbow
Got fat string tied around my finger
What a world, what a life, I'm in love

Got a song that I sing
I can make the rain go
Any time I move my finger
Lucky me, can't you see I'm in love?

Life's a beautiful thing
Long as I hold the string
I'd be a silly so and so
If I should ever let go

Got the world on a string
I'm sitting on a rainbow
Got fat silly string tied around my finger
What a world, what a life, I'm in love

Got the world on a string
I'm sitting on a rainbow
Got fat silly string tied around my finger
What a world, what a life, I'm in love
