It was just one of those things
Just one of those crazy flings
One of those bells that now and then rings
Just one of those things

It was just one of those nights
Just one of those fabulous flights
A trip to the moon on gossamer wings
Just one of those things

If we'd thought of it 'bout the end of it
When we started painting the town
We'd have been aware that our love affair
Was too hot not to cool down

So goodbye, dear, and Amen
Here's hoping we'll meet now and then
It was great fun
But it was just one of those things

Just one of those bells that now and then rings
Just one of those things
A trip to the moon on gossamer wings
Just one of those things

If we'd thought of it 'bout the end of it
When we started painting that town
We'd have been aware that our love affair
Was too hot not to cool down

So goodbye, dear, and Amen
Here's hoping we'll meet now and then
It was great fun
But it was just, just one of those things
