The sky
May be starless
The night
May be moonless
But deep
In my heart
I know that you
Love me
You love me
Because you
Told me so

Love letters
Straight
From your heart
Keep us so near
While we're apart
I'm not alone
In the night
When I can have
All the love
You write

I memorize
Every line
I kiss the name
That you sign
And darling
Then I read
Again
Right
From the start
Love letters
Straight
From your heart

I memorize
Every line
I kiss the name
That you sign
And darling
Then I read

Again
Right
From the start
Love letters
Straight
From your heart
