Do I want to be with you as the years come and go?
Only forever if you care to know
Would I grant all your wishes and be proud of the task?
Only forever if someone should ask

How long would it take me to be near if you beckon?
Off hand I would figure less than a second
Do you think I'll remember how you looked when you
smile?
Only forever that's putting it mild

How long would it take me to be near if you beckon?
Off hand I would figure less than a second
Do you think I'll remember how you looked when you
smile?
Only forever that's putting it mild
