And then she hold my hand-  
Mm-mm-mm-mm-mm-mm-mm-mm  
And then I understand-  
Mm-mm-mm-mm-mm-mm-mm-mm  
Her eyes afire  
With one desire.  
Then a heavenly kiss:  
Could I resist?

\*And then I dim the light-  
Mm-mm-mm-mm-mm-mm-mm-mm  
And then I hold her tight-  
Mm-mm-mm-mm-mm-mm-mm-mm  
Her kiss, each fond caress,  
They lead the way to happiness.  
She takes me to paradise.

(Instrumental interlude and pick up at \*.)

And when I dim the light,  
Mm-mm-mm-mm, she's willing.  
And when I hold her tight,  
Mm-mm-mm-mm, it's thrilling.  
Her kiss, each fond caress,  
They lead the way to happiness.  
She takes me to paradise.
