Don't know why, there's no sun up in the sky
Stormy weather, since my man and I ain't together
Keeps raining all the time

Life is bare, gloom and misery everywhere
Stormy weather, just can't get my poor old self
together
I'm weary all the time, the time, so weary all of the time

When he went away, the blues walked in and met me
If he stays away, old rocking chair will get me
All I do is pray, the Lord above will let me
Walk in the sun once more

Can't go on, everything I had is gone
Stormy weather, since my man and I ain't together
Keeps raining all the time
Keeps raining all of the time

I walk around, heavy hearted and sad
Night comes around and I'm still feeling bad
Rain pourin' down, blinding every hope I had
This pitter 'n patter 'n beatin' and spatterin' drivin' me
mad

Love, love, love, love
This misery will be the end of me

When he went away, the blues walked in and met me
If he stays away, old rocking chair will get me
All I do is pray, the Lord above will let me
Walk in the sun once more

Can't go on, everything I had is gone
Stormy weather, since my man and I ain't together
Keeps raining all the time, the time
Keeps raining all the time
