Tangerine, she is all they claim
With her eyes of night
And lips as bright as flame

Tangerine, when she dances by
Senoritas stare and caballeros sigh
And I've seen toasts to Tangerine
Raised in every bar across the Argentine

Yes, she has them all on the run
But her heart belongs to just one
Her heart belongs to Tangerine

Senoritas stare and caballeros sigh
And I've seen toasts to Tangerine
Raised in every bar across the Argentine

Yes, she has them all on the run
But her heart belongs to just one
Her heart belongs to Tangerine

Yes, she has them all on the run
But her heart belongs to just one
Her heart belongs to Tangerine
