Three little words  
Oh what I'd give for that wonderful phrase  
To hear those three little words  
That's all I'd live for the rest of my days  
And what I feel in my heart  
They tell sincerely  
No other words can tell it half so clear-early  
Three little words  
Eight little letters  
Which simply mean I love you-ou  
And what I feel in my heart  
They tell sincerely  
No other words can tell it half so clear-early  
Three little words  
Eight little letters  
Which simply mean I love you  
Simply mean I-I love you-ou
