(nathaniel cole, charlotte hawkins)

To whom it may concern,

You've found another love, I know

To whom it may concern,

My heart won't ever let you go.

You tore my heart apart

When you found somebody new,

But you found out that your heart

Could be broken, too.

So to whom it may concern,

You've learned that heartache has no pride,

Pretending unconcerned won't stop the tears

You try to hide.

And when you're all alone

With just a memory,

That's when I'll bet you'll learn

The one who's most concerned is me.

~interlude~

And when you're all alone

With just a memory,

That's when I'll bet you'll learn

The one who's most concerned

...is me.
