What is there to say and what is there to do?
The dream I've been seeking has practically speaking
come true
What is there to say and how will I pull through?
I knew in a moment, contentment and home meant just
you

You are so lovable, so livable, your beauty is just
unforgivable
You're made to marvel at and words to that effect
So, what is there to say and what is there to do?
My heart's in a deadlock, I'd even face wedlock with
you

You are so lovable, so livable, your beauty is just
unforgivable
You're made to marvel at and words to that effect
So, what is there to say and what is there to do?
My heart's in a deadlock, I'd even face wedlock with
you
