(Peggy Lee, Victor Young)

I went to London'town

To clear up my mind,

Then on to Paris

For the fun I couldn't find.

I found I couldn't leave my memories behind.

Where can I go without you?

Tried seeing Singapore,

But that wouldn't do.

Went to Vienna,

But I found you there, too.

Even in Switzerland, your memory came through.

Where can I go without you?

I wanted travel, I wanted romance,

I chased that rainbow across the sea.

I'm tired of faces, and quaint old places

If you can't be there with me.

Back on the boat again

And farewell to France,

Farewell to London'town,

They haven't a chance.

I'll trade the sights I've seen

For just one loving glance.

Where can I go without you?

~interlude~

I'm tired of faces, and quaint old places

If you can't be there with me.

Back on the boat again

And farewell to France,

Farewell to London'town,

They haven't a chance.

I'll trade the sights I've seen

For just one loving glance.

Where can I go without you?
