With you on my mind
With you on my mind

With you on my mind
(With you on my mind)
How can I do anything?
(With you on my mind)

With you on my mind
(With you on my mind)
All the time remembering
(With you on my mind)

Got an achin' heart
(With you on my mind)
Thinkin' how it used to be
(With you on my mind)

With you on my mind
(With you on my mind)
When you gave your love to me
(With you on my mind)

I believed in your love
(Your love)
Thought I was your true love
(True love)

But you found a new love
(New love)
Who changed your mind?
(Who changed your mind?)

Now that you are gone
(Now that you are gone)
I just seem to spend my time
(Now that you are gone)

Feelin' so forlorn
(Feelin' so forlorn)
With you always on my mind
(With you on my mind)

Now that you are gone
(Now that you are gone)
I just seem to spend my time
(Now that you are gone)

Feelin' so forlorn
(Feelin' so forlorn)
With you always on my mind
(With you on my mind)

Feelin' so forlorn
(Feelin' so forlorn)
With you always on my mind
(With you on my mind)
