Although you say we're through, I'll always love you  
And you can depend on me  
Though someone you've met has made you forget  
You know, you can count on me

I wish you success and loads of happiness  
But I must confess I'll be lonely  
But if you ever need a friend, I'm yours till the end  
And you can depend on me

I wish you success, loads of happiness  
But I must confess I'll be lonely  
But if you ever need a friend, I'm yours till the end  
And you can depend on me

And you can depend on me
