The wold world can see how much I love you
That you treat me so unkind
If you can't see it you must be blind

It's plain as can be how hard I tried
To be with you all the time
If you can't see it you must be blind

With all the heartaches you have caused
I still go on feelingt the same
But for the good that it does
You're breaking my heart all over again

So mean to me but I will forgive
My darling please say that you're mine
Oh gee why must you be so blind

(Instrumental)

So mean to me but I will forgive
My darling please say that you're mine
Oh gee why must you be so blind
